Hey everyone! We have just completed two awesome weeks of mission trips to the Pittsburgh and Jeremiah Project's and I am exhausted. But at the same time, I am also starting to get focused on the fall, and that is getting me excited! We have a lot of really awesome opportunities coming up in the upcoming school year, and I really hope that all of you will try and be a part of what we are doing. The most exciting and impactful thing that we offer through our youth group is our weekly small groups. Students are placed into groups with other students that are in the same age range and grade. They meet once a week in someone's home for an hour and it is a time to socialize, learn and grow. Please know that I am praying for each of you that you will be able to commit to being a part of this wonderful opportunity and I hope that you and your family make it a priority for this upcoming year. Enjoy the rest of your summer, and stay cool! Your Friend, Rich

Fall Dates and Information!!!
